

Ar. Chandran Shanmugam

Architect & Technical Delivery Specialist | BIM & Revit Lead

Total Experience: 8+ Years Architectural & BIM Specialist | **California Experience:** 3.5+ Years (Studio Schicketanz, Sep 2022 – Apr 2026)
Location: California, USA | **Email:** chandranarch15@gmail.com | **License/Reg:** Council of Architecture Registered Architect

Professional Profile & Technical Capabilities

Architect and BIM Technical Delivery Specialist with over **8+ years of total experience**, including **3.5+ years of dedicated California high-end architectural delivery** at Studio Schicketanz (Carmel-by-the-Sea, CA). Specialized in leading complex multi-component luxury residential estates and commercial art studios through full project lifecycles—from Design Development (DD) through Construction Documentation (CD), Permitting, and Construction Administration (CA).

Expert in high-performance building envelope detailing, waterproofing, window/door schedule management, Title 24 energy code compliance, and multi-disciplinary BIM coordination (Structural, MEP, Civil, Geotech). Developer of **CS Revit Labs**—a suite of custom C#/Python Revit add-ins for automated QA/QC, sheet creation, keynote management, and workset management.

8+ Years Total Arch & BIM Exp	3.5+ Years California Exp (Studio Schicketanz)	15 Projects Permitted CA Sets Delivered	8 Projects As Project Lead

California Architectural & BIM Projects (Studio Schicketanz 2022–2026)

Complete portfolio of 15 permitted California building projects spanning Monterey County, Palo Alto, and Orange County. Delivered full BIM models, technical detailing, building enclosure drawings, and construction coordination.

Cappo Scenic [SS-001]

★ **Project Lead** | **Jurisdiction:** Monterey County | **Status:** CD Set Delivered
Category: Luxury Residential Remodel & ADU

Lead architect for a high-end coastal estate remodel featuring a main house, new subterranean garage, detached ADU, and exterior deck. Authored full Revit model, structural/MEP coordination, and complete CD permit set.

Dolgov Main House [SS-002]

★ **Project Lead** | **Jurisdiction:** City of Palo Alto | **Status:** Ongoing (Planning & Building)
Category: Single-Family New Construction

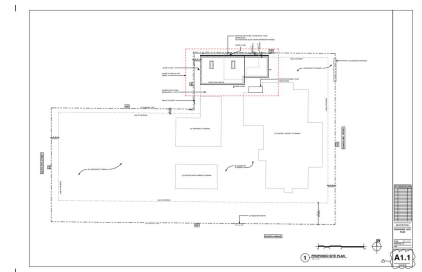

Project lead for a modern residence in Palo Alto. Managed Planning department approvals, Title 24 compliance, green building standards, and detailed architectural construction documentation.

Charl Cherry Art Studio [SS-008]

★ **Project Lead** | **Jurisdiction:** Monterey County | **Status:** Ongoing
Category: Commercial Art Studio

Project lead for a custom commercial art studio building. Handled spatial layout, high-performance lighting design, fire/life-safety compliance, and comprehensive detail drafting in Revit.

Moss Residence [SS-006]

★ **Project Lead** | **Jurisdiction:** Monterey County | **Status:** CD Set Delivered
Category: Historic Landmark Preservation

Led technical delivery for a sensitive historic residence renovation. Coordinated historic architectural guidelines, exterior envelope waterproofing, custom timber detailing, and permit approval.

Yeung Remodel [SS-005]

★ **Project Lead** | **Jurisdiction:** Monterey County | **Status:** CD Set Delivered
Category: Residential Main House & Studio

Project lead for a comprehensive main house and detached studio remodel. Authored complete Revit construction drawings, interior millwork elevations, and exterior cladding connections.

Weiss Emerald Bay [SS-012]

★ **Project Lead** | **Jurisdiction:** Orange County | **Status:** CD Set Delivered
Category: High-End Coastal Interior Remodel

Led luxury interior remodel in Emerald Bay, Laguna Beach. Coordinated bespoke architectural millwork, interior lighting packages, and mechanical integration.

McCarthy Residence [SS-014]

★ **Project Lead** | **Jurisdiction:** Monterey County | **Status:** CD Set Delivered
Category: Residential Construction Set

Project lead responsible for full CD set production, window/door schedules, enclosure detailing, and county plan-check correction responses.

Knoop 250 [SS-004]

★ **Project Lead** | **Jurisdiction:** Monterey County | **Status:** CD Set Delivered
Category: Residential Remodel & Addition

Led architectural design development and working drawing set for a custom residential remodel in Carmel. Modeled structural framing and custom roof details.

Lunquist Residence [SS-010]

Team Contributor | **Jurisdiction:** Monterey County | **Status:** CD Set Delivered
Category: Custom Residential

BIM specialist responsible for complex roof framing details, interior wall sections, and consultant sheet alignment.

Kani Remodel [SS-003]

Team Contributor | **Jurisdiction:** Monterey County | **Status:** CD Set Delivered
Category: Residential Remodel

Contributed architectural details, door/window schedules, and floor plan revisions for permit submission.

Connors Residence [SS-009]

Team Contributor | **Jurisdiction:** Monterey County | **Status:** CD Set Delivered
Category: Residential Remodel

Assisted in Revit model management, site plan layout, and building envelope sheet preparation.

Bayview [SS-013]

Team Contributor | **Jurisdiction:** Monterey County | **Status:** CD Set Delivered
Category: Coastal Residence

Supported project team with REVIT model updating, coordination items, and plan set formatting.

Kartalis Residence [SS-011]

Team Contributor | **Jurisdiction:** Monterey County | **Status:** CD Set Delivered
Category: Custom Residential

Drafted exterior elevation details and floor plans for county submittal set.

Nelson's Residence [SS-007]
Team Contributor | **Jurisdiction:** Monterey County | **Status:** CD Set Delivered
Category: Construction Docs

BIM drafting, sheet setup, title block standards, and structural coordination sheets.

Lot 67 [SS-015]
Team Contributor | **Jurisdiction:** Monterey County | **Status:** CD Set Delivered
Category: Construction Docs

Produced building sections, wall callouts, and schedule graphics for building permit package.

CS Revit Labs — Custom BIM & Revit Automation

To elevate drafting efficiency, accuracy, and QA/QC speed across high-end architectural projects, Ar. Chandran developed **CS Revit Labs**—a proprietary suite of custom Revit add-ins and automation scripts. These tools eliminate manual repetitive work, enforce graphic standards, and accelerate permit set delivery.

AI Control Centre	Centralized execution hub for Revit API utilities and project batch scripts.	
Auto Tagging & Keynote Browser	Intelligent automatic element tagging and keynote management across multi-discipline sheets.	
Coordination Set Generator	One-click creation and export of DWG/PDF consultant coordination packages.	
Graphic QC Checker	Automated model audit tool to check line styles, view templates, and sheet compliance before printing.	
Sheet Craft & Worksets	Batch workset creator and sheet generator for high-speed setup during DD phase.	

Education, Credentials & Prior Experience (2019–2022)

Bachelor of Architecture (B.Arch)
Registered Architect with Council of Architecture (CoA)

International Portfolio (2019–2022):
Prior to joining Studio Schicketanz in California, Chandran delivered diverse residential, institutional, and commercial projects internationally. Full prior project documentation is available in the supplemental publication: [docs/Portfolio_2019_to_2022.pdf](#).
